Email: [info@gatetrade.com](mailto:info@gatetrade.com)

**About GateTrade** – GateTrade is a privately held company headquartered in San Francisco, California, USA. GateTrade acts as an electronic intermediary to provide a secure, rich trading environment that directly connects buyers and sellers of agricultural products. GateTrade has built a global electronic marketplace to modernize agribusiness transactions by instantaneously reporting trades as they occur. The marketplace displays selling and buying ideas in a real time environment, which enhances the price discovery process.
